CAREER OBJECTIVE

Highly skilled Front-End Developer with 6 months of experience in building responsive, scalable, and maintainable web applications using HTML, CSS, JavaScript, and various frameworks.

Proficient in designing and developing user interfaces, writing clean and efficient code, and collaborating with teams to deliver high-quality products.

I am seeking an internship role in your organization where I can apply my technical skills and passion for learning to contribute to innovative front-end web development projects. I aim to collaborate with experienced professionals, expend my knowledge in cutting-edge technologies, and gain hands-on experience in delivering high quality solutions.
